Dear Daddy:

We got back alright, with only 1 puncture, Sunday night, and had a nice trip. It rained all the way back.

I have been working hard this week, and am already packed to go to Texas. My address there will be: Co. K, 167th Inf., APO 31, Camp Bowie, Texas. So write to me there from now on.

I was in town Monday and Wednesday night, and Had a nice time. I went to town last night with Isadore Pizitz. He sure is homesick. We will ride a pullman all the way to Texas. Have you heard from Bert yet? I wrote to Washington today, and will try to find out something there. I will let you know later. Have you heard from Mother this week? How is she feeling? Let me know.

It has been raining all week, and I am tiredof rain. I don't know yet what we will do in Camp Bowie, but I will write you as soon as I get there.

So write soon to Texas, and don't write to me here at Blanding anymore.

Love, Harold

Harold
